## 1. FAQs - Living Local – Suburban Grants Program

### What is the Living Local Fund?

As part of the Victorian Budget 2022/23, the Victorian Government has established the Living Local Fund through an investment of \$15 million.

The Our Suburbs: Living Local Fund will support Metropolitan Melbourne's suburbs to recover from the COVID-19 pandemic and thrive. It will drive economic and social recovery in the suburbs hardest hit by the pandemic and provide funding for local community-building projects that promote social connections, enhance liveability, and revitalise suburban shopping strips.

The Our Suburbs: Living Local Fund will also provide grants to community not-for-profit organisations to help them support local communities.

The Living Local Fund comprises two streams:

- **Stream1** – Living Local – Suburban Grants Program (\$12.5 million)
- **Stream2** – Living Local – Community Grants Program (\$2.5 million).

### What is the Living Local – Suburban Grants Program?

The Program has been established in recognition of increased local living as more people work from home, which has created additional challenges and opportunities for Melbourne's suburbs.

Specifically, this shift creates a significant opportunity to support suburban economic growth and enhanced community connections in our suburbs.

The Program will support a range of projects including playgrounds, splash pads, outdoor gyms, community gardens, community hall upgrades, amphitheatres, paths, lighting and public art projects.

### When do applications open and close for the Suburban Grants Program?

For example, if you apply for a grant of \$100,000 (exclusive of GST) you can seek that 5 per cent of the grant (\$5,000 exclusive of GST) be used for project management and project evaluation costs.

## What sort of financial commitment is required from applicants?

The Suburban Grant Program is open to applications from:

- Local governments in Metropolitan Melbourne (excluding the City of Melbourne<sup>1</sup>)
- Incorporated (not-for-profit) organisations/associations that are operating in Metropolitan Melbourne, including in the City of Melbourne.

If an applicant organisation operates as a not-for-profit organisation and does not hold a current ABN and/or fall within the above description it may apply through a legally constituted organisation with a current ABN to manage the funds as an auspice organisation.

### Why is the City of Melbourne not eligible to apply?

The Victorian Government is already providing an investment of \$100 million to the City of Melbourne through the Melbourne City Revitalisation Fund.

### Do I need to provide evidence that my project location is in an area most impacted by COVID-19?

You need to list the postcode/s in which your project will be located in your application.

The Department has data on the locations most impacted by COVID-19 by postcode, which it will use to assess this part of your application.

### What if I don't know who owns the land that my proposed project is on?

You will need to contact your local council to find out who owns the land or do a search on LANDATA. A title search through LANDATA shows the information held in the Victorian Register of land at the time the search is made.

Refer applicants to this website - <https://www.landata.vic.gov.au/>

## **How do I demonstrate the consent of the landowner where the land is not owned or managed by our organisation?**

You can demonstrate the consent of the landowner by including a signed letter of consent from the landowner with your application. This is mandatory.

## **Can I apply for a Suburban Grant if my project is in suburbs that have a Suburban Revitalisation Board (Boronia, Lilydale, Reservoir, Melton, Broadmeadows, Tarneit, Frankston or Noble Park)?**

The Victorian Government is heavily invested in Suburban Revitalisation Boards in these suburbs.

Local Governments and incorporated organisations/associations located in suburbs (Boronia, Lilydale, Reservoir, Melton, Broadmeadows, Tarneit, Frankston or Noble Park) where Revitalisation Boards operate are eligible to apply for a Suburban Grant.

They can do this by contacting the Office for Suburban Development at [surburban.revitalisation@ecodev.vic.gov.au](mailto:surburban.revitalisation@ecodev.vic.gov.au)

During the assessment process, if an application is deemed best funded through the relevant Suburban Revitalisation Board, the Department will recommend applicants apply for funding through the relevant Board.

## Am I required to be registered for GST?

If you aren't required to be registered for GST, you are still eligible to apply for a grant.
